Legal basis:

Article 17(1) of MAR - inside information

Content of the report:

The Management Board of Comperia.pl S.A., with its registered office in Warsaw (the "Company"), acting pursuant to Article 17(1) of Regulation (EU) No. 596/2014 of the European Parliament and of the Council on market abuse and repealing Directive 2003/6/EC of the European Parliament and of the Council and Commission Directives 2003/124/EC, 2003/125/EC and 2004/72/EC (OJ EU L 173 of 2014, p. 1, as amended) ("MAR"), hereby announces the commencement of work to initiate a process aimed at reorganising business operations within the Company's capital group (the "Group"). The process will involve separating the Company's business area comprising online payment services (e-commerce) operated under the Comfino brand (the "E-Commerce Business") and transferring it to the subsidiary ComperiaPay Sp. z o.o. ("CP"). In connection with the above, on 1 July 2026 the Company's Supervisory Board issued a positive opinion on the commencement of the process (the "Process").

The Process is expected to include, in particular, the separation from the Company's assets of an organised part of an enterprise comprising a set of tangible and intangible assets used to conduct the E-Commerce Business (the "Organised Part of the Enterprise"), followed by its contribution to the existing subsidiary ComperiaPay Sp. z o.o., which holds the status of a small payment institution. The purpose of the contribution will be to continue the E-Commerce Business on the basis of the Organised Part of the Enterprise within that subsidiary's structure. The subsidiary's corporate name is also expected to be changed to ComfinoPay Sp. z o.o.

The Process is intended to enhance the transparency and efficiency of the Group's operations. The Management Board expects the Process to be completed in the third quarter of 2026.

Following an analysis of the event described above, the Company determined that the related information should be classified as inside information within the meaning of Article 17(1) of MAR and disclosed in the form of this report.
