therefore, as a result of the RTS Conversion, I will hold 632.378 shares representing 18,11% of the Company's share capital and giving me the right to 836.809 votes representing 20,03% of the Share in Voting Rights, including: (i) 204.431 registered voting preference shares (2 votes per share) representing 5,86% of the share capital and giving me the right to 408 862 votes representing 9,79% of the Share in Voting Rights, (ii) 427.947 ordinary bearer shares representing 12,25% of the share capital and giving me the right to 427.947 votes representing 10,25% of the Share in Voting Rights.
